Hampshire Regional YMCA
*We build strong kids,
strong families, strong communities.*

To Our Valued Members,

The past four months at the YMCA have been exhilarating. The shock of the fire has been replaced with the excitement of seeing the facility rebuilt, and the enthusiasm of what that means: a better, healthier YMCA for decades to come.

And it is all because of you.

Because more than anything else, the past four months has been a testimony to the community's unwavering support of the YMCA. It has been humbling—and joyous—to witness how quickly and fully the community came together. You are making us a better organization so that we can better play our part in making our community stronger and healthier. Expressing the extent of our gratitude seems impossible, but that doesn't stop us from trying.

Thank you.

As a token—and in the spirit of celebration—we will be hosting an open house on January 24 from 2:00–5:00 pm so that we can thank you in person, and you can meet your improved YMCA. You will see familiar faces, meet new ones, and have a lot of fun. This event is open to all, so invite your family, friends and neighbors. Please share the enclosed invitation.

Visit our website for more details. See the improvements and learn about what we're working on next. You'll quickly be able to see the difference your support makes.

See you soon,
